Lawrence, KS

May 24-26
Erie, PA

Regional Dance America is a 501(c)3 nonprofit organization that fosters a network of pre-professional dance companies throughout the United States. RDA provides increasing opportunity, exposure, and connection for its members to inspire a community of excellence in dance education and performance. RDA nurtures the artists of tomorrow!

Festivals are the heart and soul of RDA. Each year, RDA hosts four festivals in different regions of the US consisting of dance classes, performances, workshops, and social events. Over 1500 dancers from 60 regional companies, 300 parents, 100 artistic directors and staff members, and nearly 100 faculty members and musicians attend the annual festivals. Students have the opportunity to attend RDA festivals year after year possibly starting as early as eleven years old. The median age of an RDA dancer is 15. Social media posts surrounding festival activities consistently reach RDA's 20,000 followers.

Festivals inspire artistic and personal growth, creativity, and excellence through networking with professionals in the areas of dance education and choreography, sports medicine, and more. Upon graduation from RDA member companies, students are poised for success in professional dance careers, college dance programs, and every job and scholastic endeavor they pursue. Festivals also provide professional growth opportunities for artistic directors, choreographers, staff members, and parents through networking engagements. Together we explore new opportunities, reach new heights, and envision a limitless world of promise for our artists.

Your company can benefit from supporting RDA's programs! Access to pre-professional dancers, interaction with dance educators, visibility to dance enthusiasts, and inclusion in our national marketing campaign are just some of the opportunities. We invite you to explore the sponsorship package that suits you best. Please contact Erika Davis, CEO, with any questions. We look forward to your participation in Regional Dance America's exciting 2019 season!
